# What is University School?

## It's Study...

Class work is the one thing we all share. Every teacher can know every student and his special problems. In this situation the teachers guide the students toward clear thinking and help prepare them for life. From art to zoology, students and teachers face together the assignments and tests along the academic road to understanding.

So

The 1960 Prom was nothing short of the best. The evening's activities, well-planned by the civic groups of Carbondale, started with a banquet at Engel's, complete with steaks, an amusing after-dinner speech by Dr. Ralph Micken, and special entertainment. "

A dance with the theme, "Neptune's Palace," followed the banquet. The gym was elaborately decorated with giant fish suspended in mid-air as though they were swimming.

Highlight of the evening came when Kate Lewis was crowned Queen.

After the dance, the couples attended a movie and then danced away the early morning hours at Lentz Hall.

As the festivities came to a close, the by now weary seniors were filled with warm memories of not only the unforgettable 1960 Prom, but also their four years at U. High.

Dr. Ralph Micken (upper right) speaks at the banquet. Some of the hard-working juniors are caught in action preparing for the 1960 Prom in the other two pictures above.

## 60's New Spring Sports...

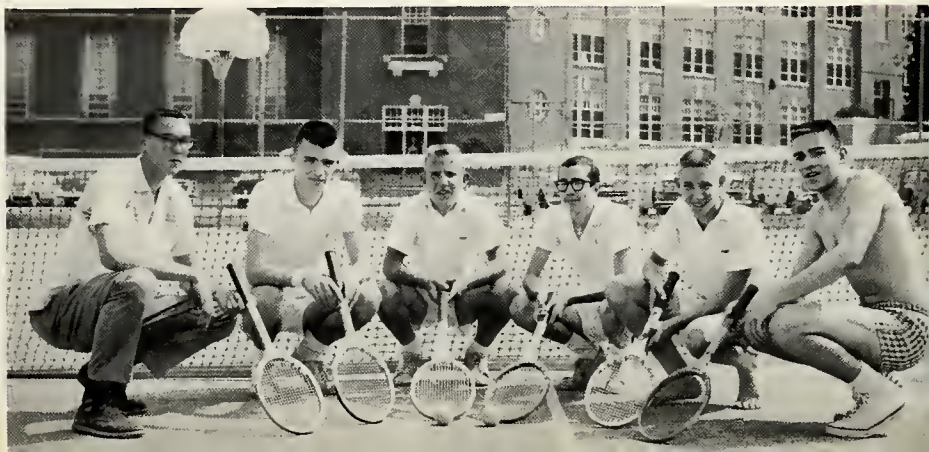

Two new sports joined basketball, baseball, track, and football as varsity sports this spring as tennis and golf were added to the ever-expanding athletic program.

The golf team had seven boys participating and was coached by Richard Dawson, a student teacher. While failing to win any of the four matches (two with Carterville and one each with Pinckneyville and West Frankfort), U. High gave promise of better results in the years ahead.

The tennis team rolled over Carbondale Community, 4-0. Five members of the team attended the District Meet of the Illinois High School Tennis Tournament at Flora, Ill. In the first round Bruce Horrell was defeated, 6-0, 6-0, while in doubles Bill Wright and Ross Franklin were defeated 6-3, 3-6, 3-6. Richard Hartwig and John Wright won 6-3, 6-2 in the first round and won 6-2, 6-4 in the second round bout against Centralia. The Hartwig-Wright team, however, was eliminated in the semi-finals, 3-6, 6-3, 4-6.

Varsity tennis players this spring were John Wright, left, Richard Hartwig, Bruce Harrell, Bill Wright, Ross Franklin, and Rodney Brod. Not pictured is Coach E. L. (Doc) Bencini.

The U. High baseballers played on their own field for the first time in 1960. The backstop was erected during the winter, and the infield was rounded into shape just before the season opened. Although the team had a losing season, four of their losses were by one run. Bob Williams paced the Lynxes to a 3-7 season with a batting average of .364.

# It's People...

Dear Laura,  
It's been fun  
knowing you in school.  
-this year. Best of  
luck to you next  
year. To a real sweet  
kid.

Love,  
Shirley Fisher

The very soul of University School: that is what the 377 students enrolled in grades seven through twelve are. Everyone greets everyone else by his first name. Everyone is laughing over any "gingerbread prank" five minutes after its occurrence. The students are the school.

# It's Activities...

People are "shot." A queen is crowned. A decorated evergreen tree complete with Santa Claus is found in the gym one night. And every student enthusiastically engages in making each of these activities a success.

# It's Sports...

From the quiet of the locker room and the hard work of practice sessions to the action and excitement of the contests, the athletic teams of U. High continually showed good sportsmanship and the evidences of fine coaching. Showing very good records were the football team, which finished 2-3, and the basketball team, which had one of its finest records in the school's history.

# It's Organizations...

It is Tuesday. As usual most of the students have disappeared. Why? Where? Tuesday is club day. Approximately 95 per cent of the student body at University School belongs to one or more clubs. The music organizations are very popular and win many contest prizes. Ra-Com provides music and sound effects for our dances and plays. G.A.A. gives girls an opportunity to participate in extra-curricular sports. Clubs teach the students to work together.

## Studies and Honors

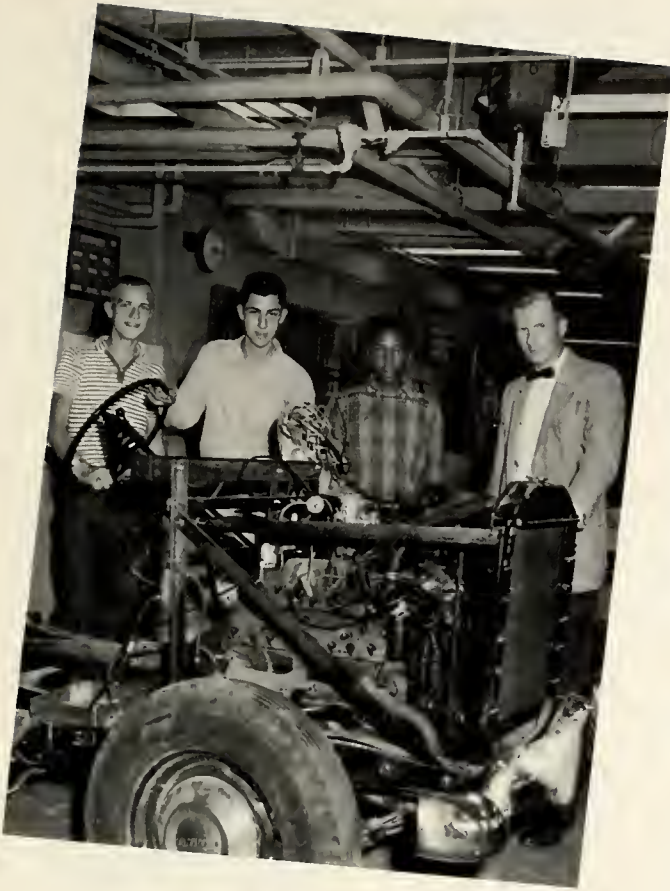

The members of the national honor society this year are Lynn Leonard, left, Rodney Brod, Bonnie Ruth, and Jon White.

The 1959 valedictorian was Sandra Crenshaw, and the salutatorian was Susan Caldwell. Among the other award winners at the 1959 graduation were: David Rector, Bausch and Lomb Award; John Bauernfeind and Connie Elder, Arion Awards; Connie Elder, Charles Ross, Andy Swanson, and Karla Meyer, Rotary Awards.

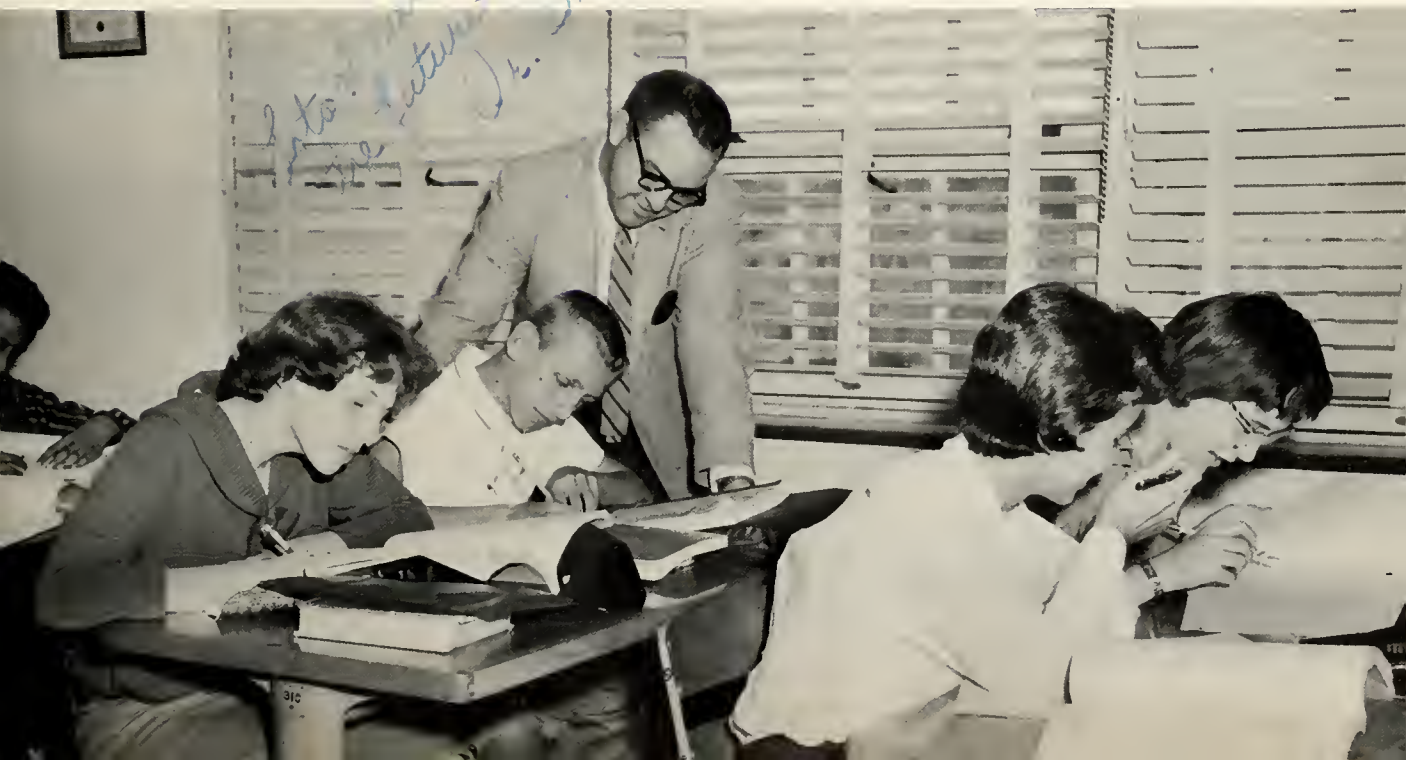

## A STRONG CURRICULUM

Four new courses were added to University School's academic program this year. The new courses are French III, earth science and geography, journalism, and economics. In addition, University School has four years of math, four of science, four of English, eight of foreign language, five of business, two of speech, three of social studies, four of physical education, three of art, and four of band or chorus.

A new way of teaching math is being tried by Dr. Small and Dr. Kenner. This method, using "sets," is hoped to be easier to learn and to remember.

Another of University School's main jobs is training student teachers. So, with a combination of student teachers' ideas, students' ideas, regular teachers' ideas, and improved curriculum, University School's excellent climate for learning is steadily improving.

# SENIORS

## Class Officers

Senior class officers are John Wright, left, vice-president; Jon White, president; and Carole Jolly, secretary-treasurer.

The time between the day the seniors came to school with the boys dressed as little girls and the girls dressed as grandpas to the day of graduation has been very rewarding. The seniors have made great strides toward knowledge and maturity. However, it is through no senior virtue that the chemistry lab is still standing and the bricks haven't "fallen out of the wall" in the math room. And so comes the end of the beginning.

Prom: That's a word that means planning, work, and fun for juniors. However, thanks to the long hours put in by the juniors the last meaning of the prom is FUN! This is a hard year, but it is also a happy one.

# SOPHOMORES

## Class Officers

Sophomore class officers are Suzanne Swanson, left, secretary-treasurer; Brad Benziger, president; and Connie Reichert, vice-president.

"Ha! Ha! Look at the little green freshmen!" This is the prevalent sentiment among the sophomores during the freshmen initiation. Now, after having voted for a student body president, the sophomores have lost their greenness and have become full-fledged high school students. This is a class which shows much promise.

Wasn't it a sophomore geometry class that put an outdoor toilet in Dr. Small's yard on Halloween?

No other class had as many firsts as the freshmen--first Homecoming dance, first high school athletics, clubs, activities, and algebra. The freshmen were also strong, having survived the rigors of freshmen initiation, including such things as wearing peeled onions around their necks.

Seventh and eighth grade: a wonderful transitional period. For the first time, seventh and eighth graders attend "dances" instead of "parties." This year Homecoming, Christmas (see picture at right), and Valentine dances were held, not to mention the monthly meetings of Dance Club. There was also a brand new student council to govern these activities. Sports participation was another first. Not only did the Junior High have a basketball team, but the team had an unbeaten season! Then, too, cheerleaders were elected, and swimmers were eligible for the high school swim meets. The seventh and eighth graders show they are on their way toward growing up.

JUDY CHANEY  
Attendant

"A tip of the top hat" ushered in the 1959 Homecoming activities.

After the coronation on Thursday, the game and dance followed on Friday, Sept. 24. Although U. High lost the game, the only spirit dampener was the rain, which fell rather heavily during the last half.

BRENDA DILLOW  
Attendant

At the dance there were printed hat check stubs, huge cut outs of blue and white diamonds, and black top hats decorating the walls. Little plastic top hats filled with candy were the table favors. All this, together with Lloyd Tucker's Band, made the "night club" atmosphere complete.

## Cheerleaders

University School cheerleaders do more than lead cheers. They conduct meetings, collect bus money, organize pep club, and even sponsor an all-school dance. In all of these activities, they try to promote school spirit. Their success was seen in the excellent skits at pep meetings, and several times two busloads of students attended away games.

Varsity Cheerleaders were Brenda Dillow, left, Barbara Dalton, Suzanne Swanson, Laurie Brown, and Judy Chaney.

Junior Varsity Cheerleaders were Helen Jolly, left, Janie Tally, and Connie Reichert.

## DANCES

### Sno-Ball Queen

Carole Jolly was the first University School girl to be crowned queen of the annual Teen Town-sponsored Sno-Ball Dance in its nine-year history. She was elected from a field of five candidates, three of them from Community High School. Kate Lewis was the other University School candidate. Carole was escorted by Paul Gene Fox. Pat Micken was Kate's escort. Approximately 200 attended the dance, which was held at the Elk's Club Dec. 29.

## Christmas Dance

A huge brightly lighted Christmas tree, mistletoe, cornmeal on the floor, music, cookies, and punch, and a Santa Claus that sounded like Dr. DeWeese talking through a beard made the Christmas Spirit come alive at the Christmas Dance Dec. 19.

The cheerleaders, with Judy Chaney as chairman, sponsored the dance. Everyone is still wondering if Santa got around to bringing a new driver's license to "Santa" DeWeese.

## Prom

Sayonara! That is what Lynn Leonard felt like saying when she announced the '59 Prom queen as Bonnie Etherton instead of Bonnie Danby. (Larry Etherton was Bonnie's escort.)

The banquet was held at Engel's. Table decorations consisted of purple pagoda place cards, tiny paper parasols, and pink lacy branches. Decorations at the dance featured a wall mural drawn free-hand by Loretta Kovar and an almost life-sized pagoda.

At midnight University School, Attucks, and Community High met at the Varsity for a "sneak preview." Then they went to Lentz Hall at Thompson Point for smorgasboard and more entertainment until 6 a.m.

# Other Activities

"Phew! Do I smell onions?"

The answer on freshman initiation day would be "yes." There were also "circus" performers roaming the halls of University School. After a day of shoe-polishing and book-carrying, the freshmen rode tricycles, lay down lines of toothpicks, etc. in a three-ring series of activities.

Dancing in the rec room at noon, studying in the library, swimming on Wednesday night: these things should not be overlooked. In the same category are such incidents as John McHale, a Tower photographer, lending his pants for a chorus picture, and Bobbi Roan's purse going to the laundry because Lynn Leonard hid it in the dirty towels during P.E. class.

## 1959 FOOTBALL... A season-to remember

As the season opened, coaches E. L. (Doc) Bencini and John Glech were greeted by 46 eager football prospects; among which were eight returning lettermen from last year's squad.

The Lynxes got off to a bad start as they dropped their first contest to Elkhaville, 18-7. They came back strong in the second game, however, by pounding Carterville 26-12. In their last three games they won

one and lost two for a season's record of 2-3.

Said Coach Bencini, "The boys did not do too well at the first, but as the season wore on, they continued to improve with each game." The leading ground-gainer was halfback Rodney Brod. Behind a solid forward line the potent backfield was able to score a total of 85 points for the season.

The Lynx gridders are caught in action against Elkhaville in their first home game.

JOHN GELCH  
Head Coach

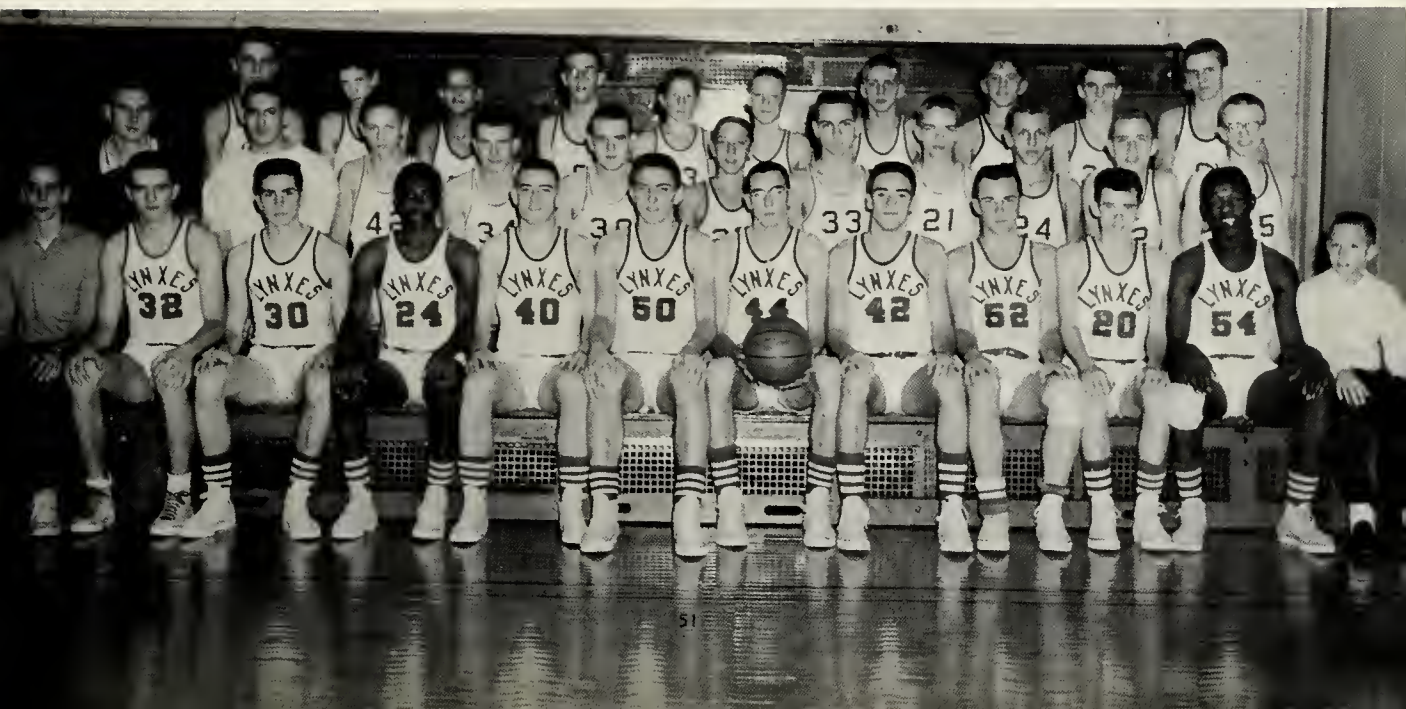

RONALD BRUMLEY  
Top Scorer

The Lynx cagers got off to a fabulous start as they won their first ten games without a defeat. During this streak they won the Crab Orchard Invitational Tournament by defeating Goreville, Cairo, and Elkhart. The streak was broken abruptly however as they lost their first game - a 70-69 heart-breaker in overtime to Hurst-Bush.

The Lynxes were beaten by Trico in the regular season finale, which slapped them back into a second place finish in the Southern Six Conference. A 71-60 setback at the hands of a tough Marion quintet eliminated them from the state tournament in the first round of the Regional. The Lynxes finished a fine season with a 17-8 record.

## BASEBALL.... Conference Co-champs

The 1959 baseball team had a fine record: 5-6 over-all and 4-1 in conference play. The Lynxes were co-champions in the Southern Six Conference with their only loss coming at the hands of Trico. They also dropped their one tournament game to Marion in an eight-inning thriller, 5-4.

The leading hitter was Ron Brumley as he posted a .389 average and had one home run. Ron also shared pitching honors with Darwin (Dobbie) Wright as he won three and lost one to Wright's 2-4. Said Coach D. Small, "We lost some close games this year, but the boys did a real fine job. A lot of credit should be given to five seniors, Darwin Wright, Charles Reinhardt, Dan Lewis, Charles Ross, and Andy Swanson, who played four years of varsity ball."

## INTRAMURALS

In 1959, the U. High cindermen participated in the West Frankfort Relays, the Mineral Area meet, and the District meet. Charles Reinhardt was the most consistent competitor as he scored in every meet. Coach John Gelch commented, "There was no outstanding boy on the squad; however, through hard work and determination we were able to compile points with our main strength being the relay team." The relay team placed third in the Mineral Area Meet at Carbondale as the over-all team scored 12 1/2 points while finishing eighth.

The Intramural basketball teams were organized the last week in January. Six captains were chosen at a meeting of the boys and they in turn chose the six teams. The captains chosen were: Bob McCoy, Richard Hartwig, Charles Rahe, Gene Klimstra, Jon Swanson, and Dick Camp.

## WRESTLING

For the first time in the school's history, a wrestling team was organized this year. Coached by Willie Brown, a practice instructor at U. High, the team practiced every day after school and had a total of 15 boys participating.

In addition to wrestling, varsity interest is growing in swimming and tennis.

The seventh grade team also had a fine season as it finished 14-2.

## Debate

University High is noted for its outstanding debate team. This year the team won first place in the Southern Debate Tournament and placed third in the 56-school Augustana Debate Tournament.

In the course of the year, the debaters went on several trips to various cities to take part in meets with other schools, U. High always maintaining its excellent record.

## The Tower

With Kay Prickett as editor and Mr. Bill Hollada as adviser, the "Tower" staff worked hard to produce the 1960 yearbook. Afternoons spent in making outlines and measuring pictures and art work were well rewarded, however, in seeing the results of their work.

The entire staff assisted in deciding on the color, type of cover, and kind of lettering for the yearbook. Many changes were made from the style of book put out by University High in previous years. Suggestions given by the National Scholastic Press Association on the "1959 Tower" were often followed in making the changes. Positions on the 1960 Tower staff were as follows:

## Tower Times

Journalistic-minded students were kept busy by their work on the school newspaper, the "Tower Times." This year, with the addition of a journalism class to the school, the "Tower Times" achieved a much higher caliber than ever before. Several of the best news stories, feature stories, and editorials were entered in the Southern Illinois School Press Association, which met at U. School April 9.

The paper, usually consisting of four or six pages, came out once every two weeks. These pages, which combined features, editorials, sports stories, and news stories, were the result of a great deal of effort on the part of the "Tower Times" Staff.

For the first time in many years, some printed issues (published by Mr. Jenkins' industrial education class) came out this spring.
